JavaScript (ES5, ES6), React, JSX, Express.js, jQuery, HTML5, CSS3, Flexbox, Bootstrap4, Grid, Node.js, Fetch, OOP

Experienced

PostgreSQL, SQL, APIs, Linux, Apache, AJAX, Adobe Illustrator

Tools

Webpack, AWS, npm, GitHub, MeisterTask, Chrome Dev Tools, Git, Figma, Agile

APPLICATIONS DEVELOPED

SHOPPING CATALOG, LIVE | GITHUB

- A shopping catalog with cart and checkout features
- Developed an interactive **React** application with a catalog home page, shopping cart that tracks user's selected items and totaled price, and checkout page where users can provide information that will be stored in a **PostgreSQL** database
- Created a **PostgreSQL** database that displays active **JSON** data on a catalog landing page, and stores user's cart information as well as inputted shipping address information
- Styled catalog landing page, dynamic cart creation, and checkout page with **HTML5**, **CSS3** and **Bootstrap4**

MEMORY OF LEGENDS, LIVE | GITHUB

- A *League of Legends* themed memory match game
- Generated a **Grid**-based playing platform using **Flexbox**, **HTML5**, and **CSS3** that interacts with the user which includes three difficulty levels with separate themes that have animated backgrounds
- Calculated live-tracking statistics of matches, win rate, and card match rate with **JavaScript** and **jQuery** logic

CONCERT CASTER, LIVE | GITHUB

- A weather forecasting app for festival planning
- Implemented **AJAX** calls to multiple **APIs**, including Google Maps, OpenWeatherMap, and Ticketmaster, to modify and gather data in **JSON** depending on zip code input
- Dynamically generated table items using **JavaScript** and **jQuery** that display a weather forecast and event details
- Styled the user interface with **HTML5**, **CSS3**, **Grid** and **Flexbox** and utilized **Bootstrap4** components to enhance **UX**

EDUCATION

LEARNINGFUZE CODING BOOTCAMP, Accelerated Full-Stack Web Development Program

Irvine, CA

- 800+ total hours of web development (65 hours a week) under the guidance of senior developers

SAN FRANCISCO STATE UNIVERSITY, Philosophy MA

San Francisco, CA

- Magna cum laude

UNIVERSITY OF TENNESSEE - KNOXVILLE, Philosophy BA and Political Science BA
